

CALL FOR APPLICATIONS

International Organization for Migration (IOM)
The UN Migration Agency

The International Organization for Migration is seeking qualified International Experts for the following position based in Türkiye.

Vacancy Notice Number:	CON#TR/2023/009
Position Title:	Consultant
Classification:	Consultancy Contract
Duty Station:	Türkiye
Deadline of Applications:	19 October 2023
Number of People to be hired	1
Eligibility	Internal & External Candidates

Established in 1951, IOM is the leading inter-governmental organization in the field of migration and works closely with governmental, intergovernmental and non-governmental partners. IOM is dedicated to promoting humane and orderly migration for the benefit of all. It does so by providing services and advice to governments and migrants.

IOM is committed to a diverse and inclusive environment. Internal and external candidates are eligible to apply to this vacancy. For the purpose of the vacancy, internal candidates are considered as first-tier candidates.

General Functions:

Türkiye is facing serious challenges with irregular migratory movements in the region due to its unique geographical location bridging Europe and Asia with over 2,949 kilometers land borders and a coastline that spans 8,484 kilometers. Therefore, Türkiye plays an important role in fighting against smuggling and trafficking as well as any other type of organized transnational crime, linked with irregular migration.

Since 2014, IOM Türkiye Immigration and Border Management (IBG) Unit, partnering with relevant Turkish authorities, has been implementing multiple projects for enhancing legal, operational / institutional and managerial structures and capacities of Turkish border control authorities in strengthening immigration and border management tools and policies in line with international best practices. These actions also include encouraging comprehensive migration management efforts, and promoting international, regional and inter-institutional cooperation on border management.

Major Duties and Responsibilities:

IOM Türkiye IBG Unit is calling for international and national experts to support the implementation of current and prospective project activities under its portfolio. All interested experts are invited to apply to this call that aims the creation of IOM Türkiye IBG expert roster for the support in implementation of existing and future projects. Recruited experts are to provide technical assistance, conduct field and desk researches and needs assessments, draft training curricula and strategy papers, draft study visit reports, guidelines, as well as to tangibly contribute to elaboration and implementation of expert consultations, workshops, conferences and delivering tailor-made trainings under the supervision of the relevant project manager.

The Main Areas of Expertise

Within this context IOM Türkiye IBG Programme is seeking competent international and national experts under the 7 components listed below;

Component 1: Border Controls (Security)
