

## GENERAL INFORMATION

IOM Hatay Sub-office covers activities under two IOM Türkiye's programmes — refugee response and cross border — with three operational areas: office and warehouse in Antakya and UN transshipment hub in Reyhanlı district. The office is composed of the following departments with a total number of 32 staff: **Recovery and Stabilization Unit** (Shelter & Community Stabilization, Cash-Based Intervention, Livelihood), **Protection Unit** (Psychosocial Mobile Team), and **Support Unit** (Logistics, Administration, Procurement, Warehouse, Monitoring Evaluation and Learning, Information Technology and Communications, and Public Information).

## AREA OF RESPONSIBILITY

## NUMBER OF SYRIAN UNDER TEMPORARY PROTECTION IN THE AREA OF RESPONSIBILITY

## OPERATIONAL PROJECTS AND UNITS

### Recovery And Stabilization Unit

**Cash Based Interventions (CBI):** To improve vulnerable families' access to food and hygiene items, IOM provided 1,590 households in Hatay province with one-time unconditional restricted cash assistance via prepaid cards. In total, 11,507 people benefited from the assistance.

*IOM Türkiye's Livelihood team in Hatay purchase a large-sized printer to support beneficiary's business.*

### COVID-19 response Emergency Cash Assistance:

COVID-19 Response/Basic Needs, IOM provided one-time cash assistance to 3,116 families in Adana, Hatay and Mersin for 18,362 of the most vulnerable refugees through debit cards as delivery mechanisms to mitigate the direct impact of the COVID-19 crisis.

### Winterization Support:

1,500 Syrian and Turkish families were assisted in Hatay province with one-off unconditional assistance through debit cards. In total, 7,167 individuals benefited from the winterization support.

### Shelter Rehabilitation

IOM rehabilitated 170 shelters Adana, Hatay, and Mersin provinces, providing 917 (673 Refugees, 244 host community) individuals with safer, more dignified, and humane shelters, ensuring increased privacy and protection from harsh weather conditions.

### Community Stabilization Projects:

IOM Türkiye implemented 10 community stabilization projects in Adana, Hatay, and Mersin provinces, to assist 13,075 beneficiaries while fostering social cohesion.

*IOM Türkiye's Livelihood team in Hatay purchase a meat grinder, tray, and other appliances to support the beneficiary's restaurant business.*

### Livelihood Projects:

IOM provided assistance to 80 qualifying businesses in the form of micro, small business support cash grants in Adana and Hatay. To capitalize on the existing market in Türkiye for aromatic and medicinal plant agricultural products, IOM established an innovative greenhouse in Adana province, which serves to support a mixed group of 51 women (38 SuTP, 13 Turkish), aiming to foster social cohesion through livelihoods.

## Protection and Resilience Unit

**Psychosocial Mobile Team (PMT):** With the onset of the COVID-19 pandemic in Türkiye, SuTPs and host community members suffer additional psychological stressors brought by the effects of lockdowns, loss of job opportunities, inability to meet basic needs, and self-isolation. To address increasing mental health and psychosocial needs, community-based Mental Health and Psychosocial Support (MHPSS) provision was made available to individuals through the PMT in Hatay covering a range of services including MHPSS, COVID-19 information dissemination, and awareness-raising sessions. Hatay PMT conducted many group-based activities aiming to ensure and increase the mental wellbeing of the society. In Total, the PMT reached 875 beneficiaries.

IOM Türkiye's Psychosocial support team organized a football tournament for girls in Iskenderun, Hatay.

## Warehouse (Cross Border)

Warehouse is around 1300 square meters. Regular visits were conducted to monitor and follow up the transshipment process at the government designated borders in Reyhanli (UN HUB). A total of 990 trucks were shipped in the last year.
